### B2B MaaS technology

We enable collaborative MaaS ecosystems

Integrated Mobility since 2011

A Kapsch Group Company since 2017

### Smart Cities and Regions

Helsinki, Stockholm, Aarhus, Vienna, Linz, Salzburg, Klagenfurt, Graz, Aachen,

New "MaaS Cities"  
Evaluation and opportunity  
assessment

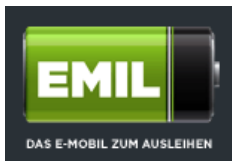

40+ Level 0 Cities

MaaS operators

**UBiGO**, etc.

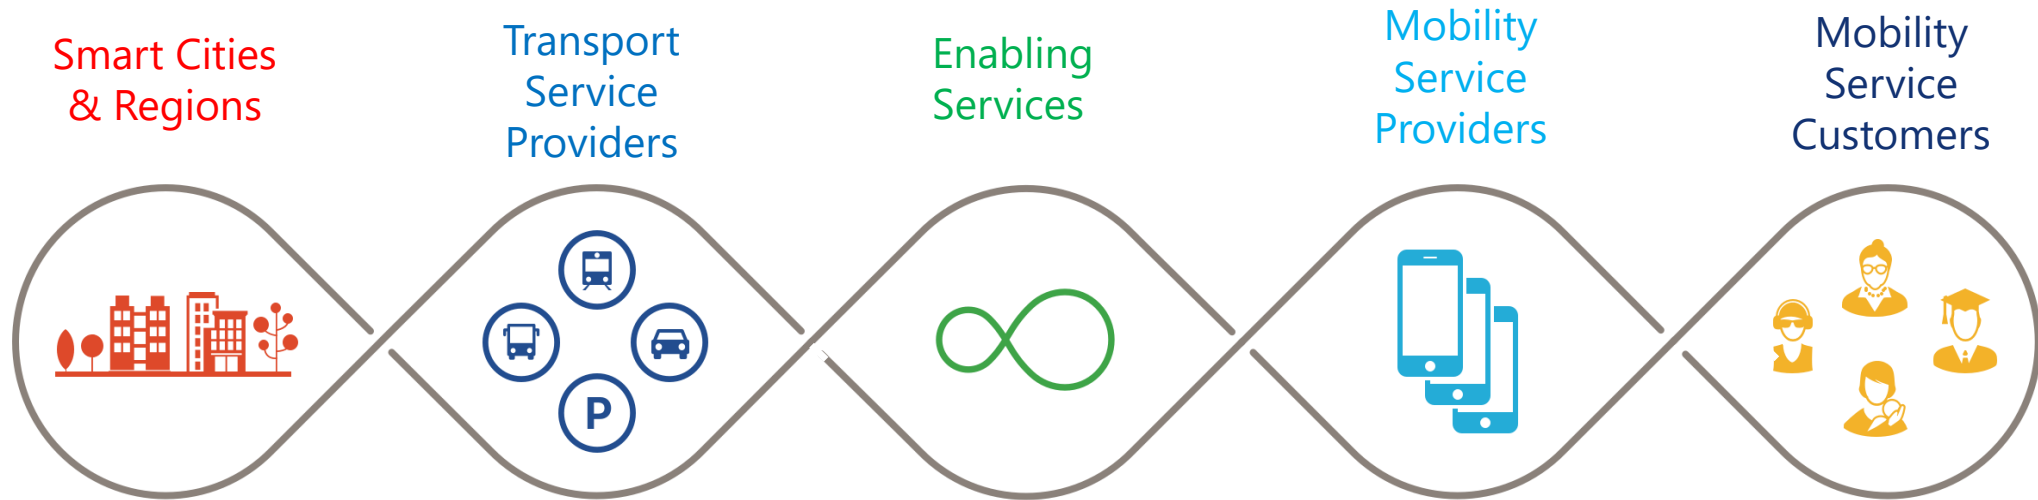

## Fragmentation

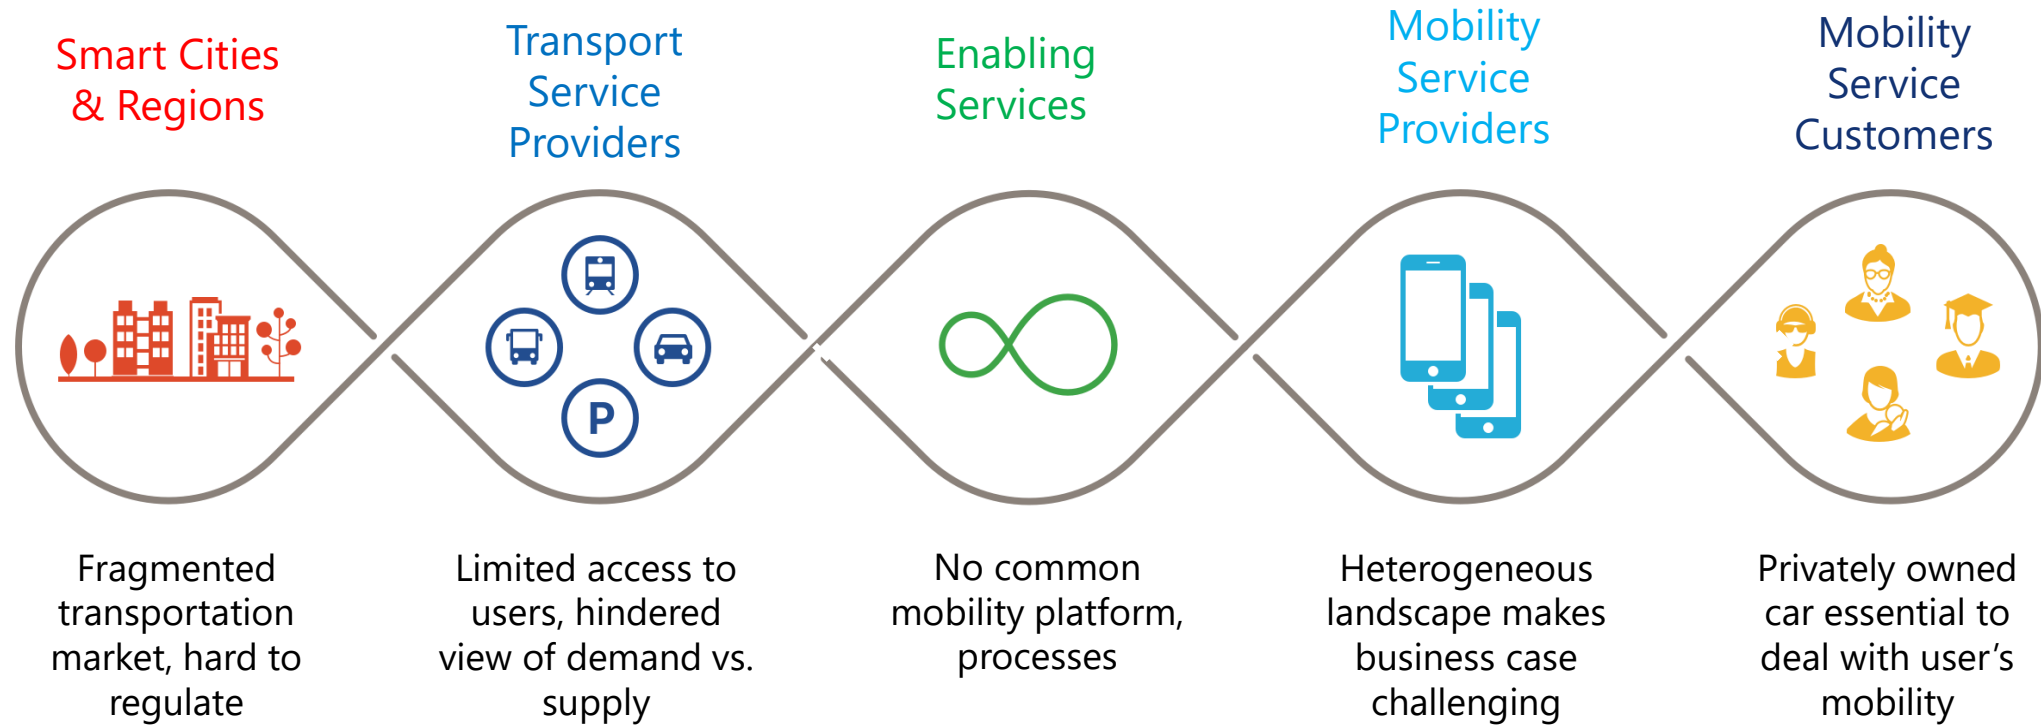

## MaaS ecosystems

## MaaS ecosystems

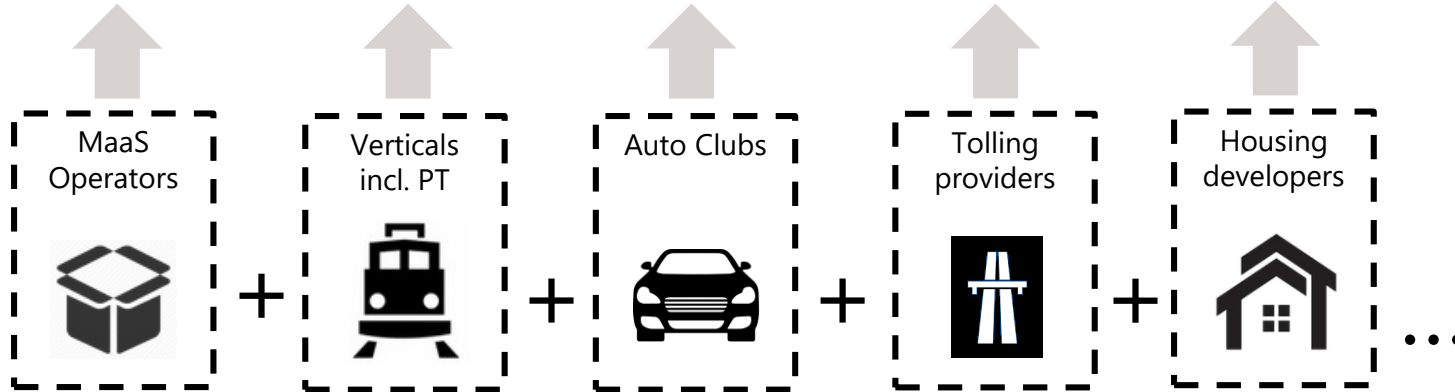

Data sharing, collaboration key to connected mobility, first-/last-mile

Door-to-door trips w/ first/last mile options, seamless booking & payment, packages, subscriptions, route optimization, loyalty programs, etc.

**Comprehensive business tools**

**Standardized transportation offerings**

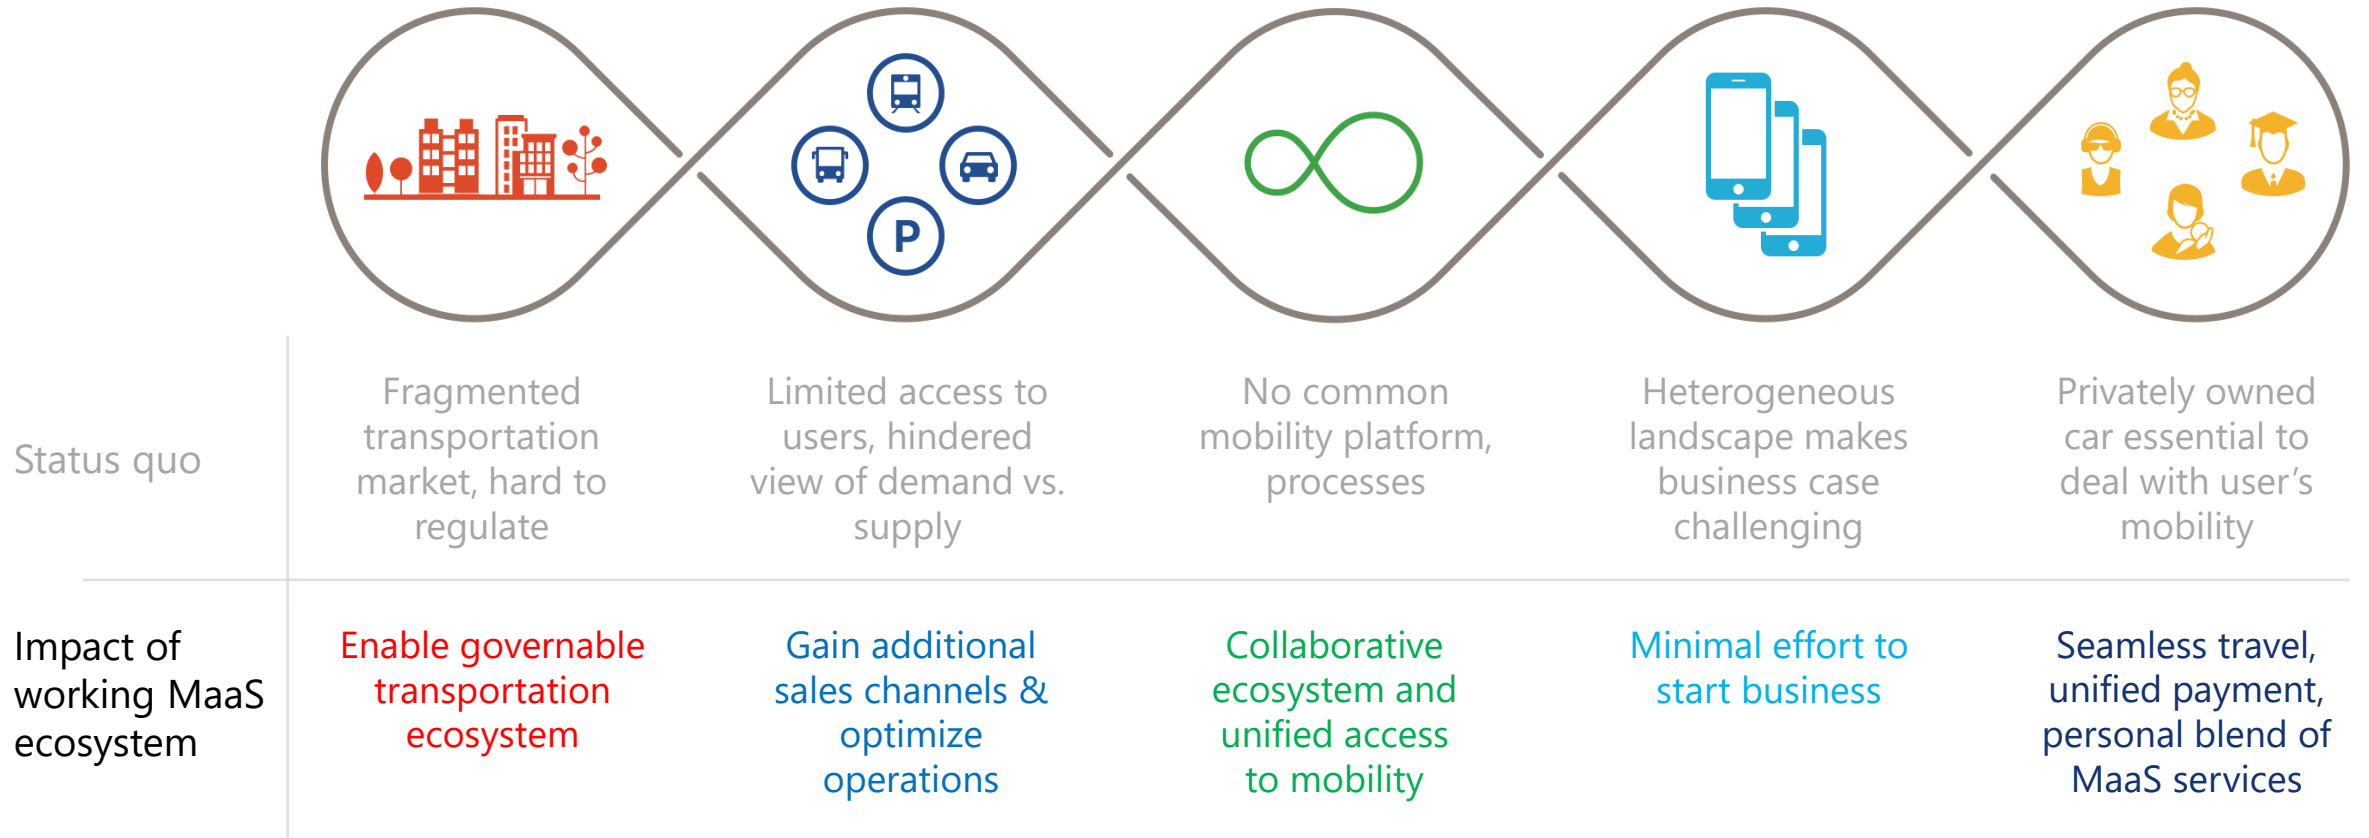

Holistic analytics on transportation supply & demand enable MaaS orchestration

## From fragmentation to seamless access

Enabling Smart Mobility.
